Empowering Careers Since 1991

Dear Visitors

Greetings from A.S. EDUTECH HR Consultant.

At A.S. EDUTECH HR Consultant, we believe that successful international recruitment begins with trust, integrity, transparency and a clear understanding of each client's workforce requirements.

We regard our clients and candidates as long-term partners and remain committed to responsible recruitment at every stage.

Our experienced team, extensive candidate network and structured selection processes enable us to support employers from initial sourcing and assessment through verification, mobilization and deployment. Our objective is straightforward: to connect the right talent with the right opportunity while maintaining professional standards and regulatory compliance.

I sincerely thank our clients, candidates and team members for their continued confidence in our organisation. We look forward to strengthening our international partnerships and supporting employers with dependable workforce solutions.

Success lies in our clients' success – a philosophy that drives our commitment to excellence.
